Dear Business Owner,

Every October, the Gainesville Orchid Society sponsors an annual orchid show held in conjunction with the Fall Open House and Plant Sale at Kanapaha Botanical Gardens.

The popular event is free to the public and attracts about 4000-6000 people every year.

This year's event, set for October 19 and 20, 2024, will feature an American Orchid Society sanctioned orchid show, displays from regional orchid societies and orchid vendors, educational sessions, and plant giveaways. Our purpose is to provide an enjoyable experience for visitors, as well as information and education about orchid culture and conservation.

Your sponsorship helps defray show expenses. Major sponsors contributing \$300 or more will be featured in publicity for the show. Names of all businesses supporting the show at any level receive recognition on highly visible signage seen by visitors as they enter the show, and recognition on the GOS and KBG websites.

Please consider a sponsorship!

If you have questions or need more information, please feel free to contact us.

Sincerely,

Joan MacLeod
